Date of Submission	12-Feb-2016						
17. Does the Institution have Management Information System ?	-						
P	art B						
<b>CRITERION I – CURRICULAR ASPECTS</b>							
1.1 – Curriculum Planning and Implementation							
1.1.1 – Institution has the mechanism for well planned words	curriculum delivery and	d documentation. Explain in 500					
The college develops action plans for effective implementation of the curriculum in the following ways: (a) At the outset, the IQAC of the college conducts protracted meetings with the heads of different departments to develop different strategies for effective implementation of the curriculum. (b) Teachers are apprised of the decisions of IQAC and encouraged to impart the curriculum through innovative teaching method like presentations, assignments, discussions, workshop, seminars, industrial visits (wherever required), computer education etc., apart from traditional (chalk & talk) teaching methods. (c) Each department of the college follows the academic calendar issued by the university. The syllabus is divided into units which are to be finished by a given deadline. (d) The progress of the syllabus is monitored through getting the feedback from the students by senior most members of faculty and communicated to the IQAC and the Principal for review.							
1.1.2 – Certificate/ Diploma Courses introduced during	the academic year						
Certificate Diploma Courses Dates of Duration Focus on employ Skill Introduction Duration Focus on employ Skill ability/entreprene Development urship

4 – Feedback System				
.4.1 – Whether structured feedback red	ceived from all the stakeho	olders.		
Students			Yes	
Teachers			Yes	
Employers		Yes		
Alumni			Yes	
Parents			Yes	
.4.2 – How the feedback obtained is be naximum 500 words)	eing analyzed and utilized	for overall	development of the institution?	
Feedback Obtained				

The S. Sinha College aims to offer the best possible environment and learning experience to encourage students to perform to their full potential. Students play a critical part in the evaluation, development and enhancement of the quality of this learning experience. Feedback from students allows the College to evaluate how its service provision is viewed by its most important group of stakeholders, namely its students. Besides providing students with an opportunity to comment on the quality of the teaching and learning environment at the College, feedback ensures that lecturers and Boards of Studies are made aware of problems perceived or encountered by students, and provides an opportunity for the conduct of self-evaluation and revision, where necessary. Focus of the Study-unit Evaluation form The study-unit evaluation form focuses on the following issues. 1. Comparison between study unit description and actual delivery 2. Lecturing methodology 3. Lecture attributes 4. Method of assessment 5. Resources 6. Any additional comments The college has obtained feedback on curriculum from students through questionnaire. There are 9 questions in the feedback form. Collection of feedback forms has been done from students of three different courses. The analysis of feedback forms is also done. We are collecting feedback from our students personally. We have designed a special feedback form on curriculum development. We are also collecting feedback from students on Faculty performance and subject review. We started collecting curriculum feedback every academic year. There are 8 questions in the feedback form. Collection of feedback forms has been done from teachers from three different courses. According to the analysis following major points has been noticed. According to analysis of Teachers Feedback Form, it is analyzed that, current syllabus is not career oriented. They are not satisfied with the existing curriculum syllabus. As per analysis of Parents Feedback Form, it is analyzed that, college infrastructure is good. The syllabus is also good. But new technologies of the market should be included in the syllabus.

#### **CRITERION II – TEACHING- LEARNING AND EVALUATION**

	View File of E-resources and techniques used							
2.3.2 – Students	2.3.2 – Students mentoring system available in the institution? Give details. (maximum 500 words)							

The admitted students from village back ground are apprised of the activities of the counseling cell during the orientation program by the Student Counselor appointed by the Principal. The department nominates faculty member(s) to this cell on the advice of the Student Counselor. General information is sent out to all students of the department informing them of the services extended by the cell and inviting them to meet the faculty coordinator of the department. The students are encouraged to seek guidance on academic, general or psychological issues, if necessary. Also, year wise /semester wise results are forwarded to the Student Counselor of the department by the Academic Section who prepares a list of students whose performance is observed to be below average or poor. Such students are then invited to meet the counselor or any faculty member of their choice on a fixed date and time (changes possible on request of the student). Such meetings are arranged at least twice in a semester and are chaired by the Head of the Department and may include anybody who might be of help to the student. The students are advised to improve performance and are given suggestions or options for clearing their backlog courses. The advising process is designed to ensure that each student selects a set of courses during each semester that meets minimum grade requirements and which can result in the student making efficient and orderly progress in meeting the academic requirements as listed in the course scheme. The advising process also helps to identify and solve problems the student may be confronting in achieving the educational objectives. College has Counselor for advising the students. He is also a one point contact for issues related to academic performance or any other issues faced by the students. The students are encouraged to meet him to seek guidance on any matter related to academic performance. Individual faculty

members routinely spend time with students during and after classes discussing any issues related to the course, student problems, and advice them on all matters as desired related to academic, placement, industrial training and career goals. Faculty members are often members of co-curricular activities in the department and provide ample opportunities for faculty to answer student questions in an informal environment.

	Number of students enrolled in the institution		Number of fulltime teachers			Mentor : Mentee Ratio			
	4181				65		1:64		
2.4 – Teacher Profile and Quality									
2.4.1 – Number of full time teachers appointed during the year									
	No. of sanctioned positions	No. of filled po	cositions Vacant positions Positions filled during the current year			No. of faculty with Ph.D

BLibSc	Nill	1st Year	13/09/2017	Nill			
BCA	Nill	3rd Year	28/06/2017	04/10/2017			
BBM	Nill	3rd Year	28/06/2017	04/10/2017			
	<u>View File</u>						

2.5.2 - Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

The institution performs the Internal Evaluation as per the university rules. Internal evaluation is present in PG courses. The institution conducts the internal evaluation for 30 marks. The evaluation process is conducted by at least two external teachers. In UG courses, only practical courses such as psychology and geography have Internal Evaluation of 30 marks. All vocational courses have internal evaluation system of 25 marks. Also two external teachers are appointed for evaluation as per the university.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

The academic calendar is released by the Magadh University and is to be followed in totality by our college. The same academic calendar is published in the College prospectus and college website before the beginning of the session of every academic year. It provides plan for the academic year to students, teachers and parents. Each department functions according to the teaching plan prepared at the department level. The unit wise syllabus is discussed with the faculty of the department and the course work is distributed. The departments also carry out internal assessment based on student test performance and punctuality. The final evaluation of students is done according to the university schedule. Towards the end of each session/semester, theory and practical examinations are conducted by the University and evaluation is carried out. The exam results are declared and score cards are issued by the Magadh University.

## 2.6 – Student Performance and Learning Outcomes

Г

2.6.1 – Program outcomes, program specific outcomes and course outcomes for all programs offered by the institution are stated and displayed in website of the institution (to provide the weblink)

level. The Supervisor is accountable to the Principal and functions as the coordinator who efficiently organizes the workforce, maintaining duty files containing details about their individual floor - wise responsibilities, timings, leave etc. 2) Adequate in - house staff is employed to meticulously maintain hygiene, cleanliness and infrastructure on the campus so as to provide a congenial learning environment. Classrooms, Staffrooms, Seminar halls and Laboratories, etc are cleaned and maintained regularly by Non - teaching staff assigned for each building. Wash rooms and rest rooms are well maintained. Dustbins are placed in every floor and entrance. The Green Cover of the campus is well maintained by a full time gardener. 3) Optimum working condition of all properties/ equipment on the campus is ensured through annual maintenance by college contractor. The college contractor purview includes maintenance of Generator, Air Conditioners, CCTV cameras and Water Purifiers. Apart from contract workers, the college has trained in - house electricians and plumbers. 4) Lab assistants under the supervision of the System administrator maintain the efficiency of the college computers and accessories. 5) Parking facility is well organized. It is efficiently maintained by college. 6) The campus maintenance is monitored through surveillance Cameras. 7) Every department maintains a stock register for the available equipments, chemical and glass ware. 8) Proper inspection is done and verification of stock takes place at the end of every year. 9) The civil and electrical work is adequately monitored and maintained by the Estate office. 10) Periodic reporting on requirements of repairs and maintenance are submitted by the HODs to the Administrative office. The requirements are collectively processed in every semester break so as to keep things ready for the new semester. 11) Pest control of library books and records is done every year by the maintenance department. 12) Estate office manager and his team are involved in the maintenance of infrastructure facilities. This team looks after the regular maintenance of civil works such as furniture repairs, masonry and plaster works, painting, carpentry, plumbing and house- keeping. 13) The non-teaching staff is also trained in maintenance of science and computer equipment. 14) The Estate office workers look after the maintenance of rest rooms, approach roads and neatness of the entire premises. Housekeeping services are regularly executed and monitored.

5.3.2 – Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words)

S. Sinha College Student union representatives actively participate in various activities. They help in coordinating all the events related to academics and other co-curricular Extra-curricular activities, as per the directives of teaching faculty. They do lot of academic administrative work by taking the help of other students. They also motivate other students to take part in the activities conducted by the Institute. They work as a medium between faculty and students. Contribution of the Student Council in Academic Administration 1. Coordination in communicating the information between students and Teaching faculty. 2. Coordination in day to day academic activities at their level. 3. Coordination in conducting special events like Teacher's Day, Yoga Day etc. 4. Coordination in organizing Cultural events 5. Coordination in organizing Sports Games for the students 6. Coordination in arranging Industrial Visits for the

students 7. Coordination in inviting the external guest speakers, Industry expert and organizing the Seminars Workshops. Students members of the associations also observe important days like National Festivals, Birth/Death Anniversaries of important leaders, International Women's Day, International Yoga Day, Sports Day, Teachers Day, Pharmacist Day, Freshers Day, Farewell Party, Joy of giving Week, World Literacy Day, World AIDS Day etc.

#### 5.4 – Alumni Engagement

5.4.1 - Whether the institution has registered Alumni Association?

No

5.4.2 - No. of enrolled Alumni:

150

5.4.3 - Alumni contribution during the year (in Rupees) :

70000

5.4.4 - Meetings/activities organized by Alumni Association :

#### Yes

## **CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT**

#### 6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

Vision: Enlightenment and personality development of younger generation through modern education and training to make them compatible to the need and asset to the nation. As in every organization, the leadership of the College is centered on the primary functions of Planning, Executing, Controlling and Monitoring of the academic and administrative functions of the University. Bringing in the concept of Participatory Management and reflecting the same in day to day functions have added a fillip to these functions. Best practices of decentralization and participative management during last year. This college, being constituent unit is led by the Principal to improve the quality education that is making awareness. The Principal of the college is the head of the institution and is always here to provide requisite leadership to the system. The Principal and IQAC guide the Faculty members to use modern Technology in teaching and tools in shaping up their career for bright prospect. IQAC of the College motives the Faculty members to step up research process and cementing consolidated relationship between teachers and students. The Principal time to time inspires to teachers to conduct seminar, discussion, workshop to bring creativity. He makes students and Faculty members sensitive to ecological issue, gender quality and scientific world view upholding the social responsibility of the institution. They are motivated to involve themselves in programmes of child education, hygiene, prohibition in the slum areas of the

town etc. The Principal being the executive and academic Head of the college ensures that all the provisions of the university by-laws, the statutes and the regulations are strictly observed. The Principal provides academic leadership.

6.1.2 – Does the institution have a Management Information System (MIS)?

No

#### 6.2 – Strategy Development and Deployment

6.2.1 - Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Curriculum Development	<ul> <li>The IQAC ensure quality in curriculum development through:- 1. Regular meetings among the HOD and teaching staff regarding academic affairs. 2.</li> <li>ICT based teaching in each Department.</li> <li>3. Feedback from students. 4. Feedback from alumni. 5. Feedback from Parents</li> </ul>
Teaching and Learning	The faculties have undergone orientation in interactive models of teaching and microteaching and they have developed the interactive style of teaching in theory classes as well as in practical classes. ICT Equipments, models, maps and charts are frequently used in classroom teaching. The institution has framed for itself various strategies which enhance the quality improvement. These strategies are framed by the college keeping in view the quality changes required as per the development of the college. This criterion was judged against the same procedure adopted for admissions to various courses provided by the college are based on students, academic records. The rules and regulations set by the Magadh University and the State Government are strictly followed in students' admission.
Examination and Evaluation	As per University regulations, University Examinations Evaluation work is done. 20 weightage given to internal evaluation and 80 weightage given to external evaluation.
Research and Development	To promote and sustain research culture, freedom to publish results of research, extensive use of consultancy, healthy participation in extension programmes. The college is not having a recognised research centre duly approved by Magadh University. The college is having only four courses of PG level. The scope of research motivation is very little. However, the faculty is very much aware of the growing importance of the research based education.
Library, ICT and Physical Infrastructure / Instrumentation	There is a facility of library and reading room for at least 80 students which is maintained in a large capacity and equipped with 52000 books related to all courses of study. At least 100 quality books will be added in the library every year. The library has photocopying facility and computer with

	<pre>internet facility/connectivity for the use of faculty and student-teachers. ICT Lab is equipped with T.V., VCR, Projector, Amplifier and Microphone to facilitate experiments related to electronic media. These equipments also familiarize the students in their use as teaching aids. 15 computers with internet Wi-Fi connectivity make maximum use of it every day. Other peripherals like printers and adequate types of software are also available. For physical Education college has appointed a full time physical education teacher.</pre>
Human Resource Management	<ol> <li>The college management motivates the teaching staff for attending workshops, International, National and state level seminars workshops. 2.</li> <li>Faculties were appraised motivated for further enrichment with research aptitude.</li> </ol>
Industry Interaction / Collaboration	Industry interaction is a part of institution activities. Every year, institution makes the plan of Industry Interaction. The student of different departments goes to the concerning industry and gate the knowledge about industry.
Admission of Students	Admission of students in each course is done by the rules of the University.

6.2.2 – Implementation of e-governance in areas of operations:

E-governace area	Details
Planning and Development	The institution makes a plan for infrastructure development, Curriculum activities, Education, Examinations, Staff facilities etc each year. All activities are performed by the different committee which is created by college administration. That committee collect the survey report and physical verification and make the decisions.
Administration	The Administration of the College is functions with E-governance system at Government, Society and College level. Even though the college is established in the year 1944 which covers under Magadh region of Aurangabad district still the college tries their best to keep in touch with latest tools of administration with available tools in hand. With the help of developed technological world college staff uses the same for administration purpose. Such as use of Smartphone with inbuilt

	<pre>social app like Gmail and WhatsApp they share the notes to students. It helps to provide the brief notice of any event to be happened on college WhatsApp Group for awareness and of smooth functioning of the same. The college have Biometric attendance for teaching and non-teaching staff. The college campus id equipped with CCTV Cameras at very place of need.</pre>
Finance and Accounts	The college uses the ERP software for E-governance for transparent functioning of Finance and Accounts department of the college. This helps to increase the efficiency of staff towards the accuracy in financial transactions. The college conducts regular audit of annual books of accounts. The administrative office account section keeps the all financial records separately as per the events and transactions made for. The administrative office maintains the Books of Accounts properly which helps in auditing procedure.
Student Admission and Support	The most important key factor of the college toward the students admission and support is that college has system which allows the student to take admission with tuition fee of admission process of every academic year. This is the one of the important thing which supports some students those are facing financial issues. College has extended helping counter for the students which provides them several services as such Admission form Filling, Examination form filling as well as Scholarship Form filling at one place only. This service counter protects the students from outside service centre where they need pay fees for it. The Helping counter i.e. service centre provided at college is free of cost. The College has provided the facility to the students for linking the contact number with aadhar card which was mandatory for the students as per the government rule.
Examination	The College has the separate Examination department with equipped ITC tools necessary for examination purpose. As per the requirement of Examination department all the necessary equipments are provided by the college such as Separate Desktop and Internet Facility for online

procedure of Paper Downloading and further activities for exam purpose. The examination department has the separate Machine for printing the question papers.

# 6.3 – Faculty Empowerment Strategies

6.3.1 – Teachers provided with financial support to attend conferences / workshops and towards membership fee of professional bodies during the year

## 7.1.2 - Environmental Consciousness and Sustainability/Alternate Energy initiatives such as:

Percentage of power requirement of the University met by the renewable energy sources

Today a lot of colleges have made an environmental revolution. No more coffee to go, no more plastic bottles to buy on a territory of the campus, the implementation of eco-friendly projects and campaigns - all this now is becoming a sustainable lifestyle for the majority of students. The effects of climate change are dramatically terrifying. In most colleges, the initiative of the activities to make planet safer comes from administration faculties. However, any little action of every student will help to protect our Earth. Whether it is a constructing of building with more efficient environmentally substantial windows and panels that use solar, wind or even water power, during past several years the colleges become a way eco-friendlier. Some programs promote the conservation in any aspect and the composting bins. It is important for colleges to have some green project ideas for college students that may evolve students to concrete actions toward the protection of ecology. It can be something like tree planting, street cleaning or any other environment-themed campaigns.

7.1.3 - Differently abled (Divyangjan) friendliness

These steps will not only save the money but make the institute self sustainable. 3. Institute has been developed a plan to save energy at the institute level to install Solar Power Station mandatorily either at the top of college building. 4. Faculty and students led initiatives to save significant electricity by conducting an energy audit and developed policy for reducing electricity consumption and energy conservation. 5. Solid waste generated in the campus separating organic and inorganic waste

#### 7.2 – Best Practices

7.2.1 - Describe at least two institutional best practices

Transparent Management System The strength of S. Sinha College lies in its centralized administrative structure. This enables the quick and efficient decision-making. The college administrative team meets frequently to stay abreast with the happenings. There is a high level of transparency at the administrative level. Administrative staffs are regularly sent for relevant training programs. The practice is that of streamlining functions with the help of the committee system. Committees are formed with representation from teachers, Non-teaching staff and students. All the committees are headed by a senior teacher as its convener and other staff and student as members. The Admission Committee, after consultation with the Principal, takes decisions regarding mode of admission and cut off marks in each subject. The Collage Development committee headed by the Principal takes all the decision related to infrastructural development of the college. The department meetings are regularly conducted and the HODs supervise all the academic programs in the department. The HODs' meetings take place once in a fortnight with the Principal and other, where all issues relating to the departments and college are discussed and decisions are taken. The issues relating to the college are taken up and decisions are made democratically. The college principal and HODs meets once every semester with an agenda relating to college academic calendar, training programs and infrastructure development. S. Sinha College has been greatly the focusing on competence, skill and character building of the students. The skill component included in all the UG and PG Programs. Additionally, there is a paper on soft skills for the undergraduate and post graduate students. Both the UG and PG students' achieve considerable experience and exposure to research. The placement cell has made several initiatives to groom the students to identify potential companies and make them employable in those firms. The value oriented skill development for the undergraduate students is taken care of by the School of Human Excellence for last year or final semester. The continuous internal assessment helps the students to constantly keep track of his/her own development throughout the semester or year wise. Students are encouraged to take up assignments and projects that are separately evaluated.

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

#### https://www.ssinhacollege.co.in

#### 7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

The institution has a vision to develop an excellent infrastructure for study of students. The institution has creating a well furnish class room for study of students. A lot of smart class room is created for the student. There is a central library for all students of S.Sinha College, although every department has a separate library. Several computer labs are present in the college. All most all vocational department has a computer lab for the students. There is a big play ground in the college for the students. The college has conducted sports activities every year. a lots off students participated in sports and gate benefited. The institution has provided pure water for students. There is a water purifier is installed in all most every department.

Provide the weblink of the institution

https://www.ssinhacollege.co.in

8. Future Plans of Actions for Next Academic Year

1. Strengthening the college transportation system. 2. Making the college a Free

WI-FI zone with the help of Government Initiatives. 3. Installing solar plants on the roofs of the high rise buildings. 4.Renovation of Physics and Chemistry departments. 5. Increasing the enrollments in UG courses. 6.Providing community services to neighboring villages.
